

Seymour Cray Outstanding Placement Award

The Department of Computing of The Hong Kong Polytechnic University will donate at most three scholarships to The Hong Kong Polytechnic University in the academic year 2003/04 to recognize students who excel in their placement studies.

Each award recipient will receive an award certificate endorsed by both the Department and the respective placement company, and a cash amount of HK\$5,000.

A) Who is eligible?

1. The scholarships shall be awarded to at most three full-time students from BA (Hons) in Computing and BSc (Hons) in Information Technology, who took the placement study track in the academic year 2004/05. There will be no separate quota for each program.
2. Each application must be accompanied by a recommendation of the supervisor at work and supported by another colleague at work.

B) How to apply?

1. The applications are made through the placement reports by having the recommendations from the supervisor and a colleague at work.
2. The deadline for receiving the reports is usually before the second SARP meeting held in early August.

C) What are the judging criteria?

1. A one-page write-up on the experience and accomplishments during the placement study (included in the placement report).
2. Feedback from the supervisors at work.
3. Feedback from the academic supervisor.
4. A verbal presentation on the experience and accomplishments during the placement study (usually only for the candidates short-listed based on (1)-(3) above)
